6 SAFETY INSPECTION INFORMATION

A Safety inspection accompanying the installation of the qualifying appliance(s) must include one or more of the following 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations, and/or 3) a flow and lock up test on the regulator(s). The Safety inspection must be performed by a Professional Propane Marketer prior to the submission of any rebate application. The purpose of the Safety inspection is to support the PPERF Rebate Program rules and requirements that a safety inspection did occur as required under the rebate program rules and regulations. **DO NOT INCLUDE THE SAFETY INSPECTION REPORT WITH THIS APPLICATION.**

Safety leak check was performed:	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Date _____
Pressure test was performed:	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Date _____
Flow & lock-up test was performed:	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Date _____

Technician Name

Submission of this rebate application form constitutes a representation on the part of the consumer and participating propane marketer that the work shown on the form has actually been completed. A safety inspection must be performed by the participating propane marketer after the installation of each new qualifying appliance and the result of that inspection. The safety inspection for qualifying appliance installations must include one or more of the following: 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations; and/or 3) a flow and lock up test on the regulator[s]. The propane marketer agrees to comply with all laws, rules and regulations governing the installation of the qualifying appliance and with the manufacturer's installation instructions. The Pacific Propane Gas Association (PPGA) assumes no responsibility whatsoever for the installation, inspection or testing of the qualifying appliance or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying appliance or the associated gas system. PPGA disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying appliance or gas system.

I certify that this propane appliance was purchased for installation at the above address. I am aware that verification of a safety inspection and a receipt of purchase are required at the time of submission of the rebate form for the rebate to be processed. I am further aware that no check will be issued until all program requirements have been met. I understand that it is my responsibility to install the appliance to meet all applicable codes. All rebates are subject to availability. This is a limited offer and all requests will be processed on a first-come, first-serve basis. PPGA has first rights on interpretation of all terms and conditions pertaining to this offer.

Customer Signature Date

Propane Marketer Signature Date

By signing above you agree you have with all laws, rules, and regulations governing the installation of the qualifying appliance(s) and with the manufacturer's installation instructions. If you disagree, please share your explanation on a separate sheet of paper.

- Checklist of Items to Include:**
- Application completed in its entirety (must be dated within 45 days of application postmark)
 - Copy of paid invoice(s) for purchase of appliance(s)
